Underestimated mountains

I wonder if he's in shape because he commutes to school from this deep in the mountains every day?

Abs are c-ramping.... They're like, actually twitching
To have the bath order decided by the number of sit-ups is...
IF YOU'RE LAST, THE WATER'S GROSS AND IT'S SUPER LATE AT NIGHT. WHICH IS WHY EVERYONE'S SO FIRED UP.
Depending on the day the exercise changes

whoosh whoosh whoosh whoosh

IF YOU DON'T EAT PROPERLY, YOU WON'T BE ABLE TO KEEP UP TOMORROW.
WHEN YOU EXERCISE, YOUR MUSCLES I WOULDN'T PRECISELY CALL IT BUILDING STAMINA, I WOULD AS FOR NUTRITION. IT'S NOT JUST PROTEIN THAT'S IMPORTANT. MAKE SURE TO WATCH YOUR CARBOHYDRATE INTAKE TOO. BOTH AEROBIC AND ANAEROBIC EXERCISE

MORNING.
G'morning. Sorry, I don't remember anything after dinner last night...
YEAH. I THOUGHT YOU MIGHT BE TIRED, SO WE LET YOU SLEEP.
You didn't have to get up

After that
Every day
Every day,
Every day

A week passed.
Continuing with the training regimen and chores...
Huh?

Is that really something that will help me overcome fire?
Is it okay for me to just be running and building stamina?
Raining, today so wiping the floors
Seriously, half is chores
All I'm doing is strength training and housework....
W-will this really make me into a pyrotechnician?
Ah, okay
I'M DONE OVER HERE.
pad
pad
pad
I don't feel like I'm closer to being a pyrotechnician at all...
Does this really mean anything?
Hey, um...

I was wondering if physical exertion really has anything to do with overcoming my fear of fire...
I've only been doing exercise this whole time
It doesn't feel connected to pyrotechnics..
SHHHHH
WHAT DO YOU MEAN?
EH!?
I WONDER.
IF YOU THINK THAT IT'S MEANINGLESS,
I DON'T KNOW NADESHIKO-SAN'S MIND, BUT

Walking on a path where I can't see any footprints ahead of me is terrifying.
I feel like I'm being seen right through.
However, really...
squeeze

OH, OH— HE LOOKS PRETTY TROUBLED.
WELL, TO A KID WHO CAME HERE WITH A DREAM LIKE "THIS IS THE PATH TO BECOMING A PYROTECHNICIAN!", BEING KEPT HANGING LIKE THAT IS PROBABLY PRETTY TOUGH
Good~ Distress even more, young man!
You stink of oil, man.
.....

A SPECIAL MENU FOR YOU TODAY.
R-ROGER!
I wonder what kind of training it is?
Dear Dad, Mom, Akari,
